

Shipping

- All orders will ship via UPS/FedEx and invoiced at cost.
- If preferred, we can ship on your FedEx or UPS Account.
- For Drop Shipping: Add \$1 to the price of each register.
- International Shipments can be arranged, but sales staff must be contacted first to arrange.
- International shipments can be invoiced at cost or shipped on your account.

Terms & Conditions

- Terms are 2%10 Net30 to approved credit accounts.
- A finance charge of 2% per month will be added to all past due accounts. Products will not ship for accounts that are past due until they are paid.
- Pre-pay with a credit card account is also available.
- There are no minimum order quantities.
- We will notify you as soon as possible if a product is on back order and give you an estimated ship date.
- Returns will have a 10% re-stocking fee unless the product was defective or shipped incorrectly. Please call for a Return Authorization (RA) number before shipping back. Defective products will be replaced at no charge.

Wholesale Registers is fully committed to each and every one of our distributors and retailers. Therefore, we do not publish vent pricing on our website or catalogs. Full pricing of our vents will be provided once a credit application has been submitted.

Starting an account is easy!!

Call or email us for a credit application.
Fill out the application and fax or email back.
We will provide you with an approval once the application has been processed.

Promotional materials such as full color jpeg files and selling sheets will be provided along with pricing and register information once your account has been approved.

Does your company have a showroom
or a need to visit a customer on site?

Purchase our decorative floor register display kit. Showcase all finishes and styles of our registers without a bulky display! Your customers will be able to view exactly which registers they are interested in!

Each kit is \$50 (Free Shipping) and can be billed to an account on file.
Not an approved account? We also accept all major credit cards.

Conversion of Floor Registers to Wall Registers:

Select sizes and styles of floor registers can be used as
sidewall registers with the separate purchase of wall clips
or use with included knock-out screw holes
and matching screws.

The following chart shows which styles and sizes come with
included screw holes and which need the wall clips for
sidewall conversion

Style	Size	Wall Clips?	Screw Holes?*
Victorian	2x	Yes	No
Victorian	4x	Yes	No
Victorian	6x	Yes	Yes
Contemporary	2x	Yes	No
Contemporary	4x	Yes	No
Contemporary	6x	Yes	Yes
Rockwell	2x12	Yes	No
Rockwell	4x	Yes	No
Rockwell	6x	Yes	No
Rockwell	8x10	Yes	No

*Contemporary and Victorian 6x sizes come with knock-out screw holes
and matching screws for sidewall installation.
